Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Prince And Betty

The Prince and Betty is a novel by P. G. Wodehouse. It was originally published in Ainslee's Magazine in the United States in January 1912, and, in a slightly different form, as a serial in Strand Magazine in the United Kingdom between February and April 1912, before being published in book form, in the UK only, by Mills & Boon, London, on 1 May that year.

A substantially different version, which incorporated the plot of Psmith, Journalist, was published in the US by W. J. Watt, New York on 14 February 1912, and is the only version now widely available. (This is the version presented here.)

The story tells of how unscrupulous millionaire Benjamin Scobell decides to build a casino on the small Mediterranean island of Mervo, dragging in the unwitting heir to the throne to help. Little does he know that his stepdaughter Betty has history with the young man John Maude, and his schemes lead to a rift between the newly-reunited pair. (Introduction from Wikipedia)
